(Beginner Guide) - In this video, I go over the basics of what is Castlevania Symphony of the Night developed and published by Konami. I was really happy to receive this guide (and the game of course) back in the late 90's, but the honest truth is that Castlevania: Symphony of the Night is so easy to complete, and so easy to figure out where you're going and figure out which items and weapons are important and which ones aren't, that using this guide after the first time will probably be pointless for most people. Directed by Toru Hagihara. (5). The game takes a heart wrenching storyline coupled with the mind bending mazes of the great castle and forms a game of unparalleled entertainment. Buy a cheap copy of Castlevania: Symphony of the Night book by Christine Cain. Page Tools. Konami's beloved vampire-slaying franchise made its debut on the PlayStation in 1997 with Castlevania: Symphony of the Night.
